Mr. LARSEN of Washington. Madam Speaker, I rise today to honor Senior Chief Petty Officer Tammy D. Logan, United States Navy, who is retiring after 20 years of service to our nation.

In May 1989, Senior Chief Logan, a native of my home state of Washington, enlisted in the U.S. Navy as a Seaman Recruit. IN HONOR OF THE SACRAMENTO
REGIONAL CONSERVATION
CORPS' 25TH ANNIVERSARY

HON. DORIS O. MATSUI

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 3, 2009

Ms. MATSUI. Madam Speaker, I rise today to congratulate the members, employees, and supporters of the Sacramento Regional Conservation Corps on the 25th anniversary of the organization's founding last week. For the last twenty-five years, this fine organization has improved the Sacramento region, while also transforming the lives of thousands of corpsmembers.

In 1984, the Sacramento Metropolitan Chamber of Commerce saw the need to create a program that would give Sacramento's young adults an opportunity to further their education and at the same time allow them to garner invaluable work experience. From that, the Sacramento Local Conservation Corps was born. In order to properly reflect their growth and commitment to the greater Sacramento region's wellbeing, they recently changed their name to the Sacramento Regional Conservation Corps.

The Sacramento Regional Conservation Corps is a true community partnership. Exemplifying this is their board of directors, comprised of representatives from local financial institutions, law firms, businesses and government agencies. Their funding sources are equally as diverse. Each year the SRCC's committed staff looks far and wide in soliciting funding from government sources, private grants, and corporate supporters to ensure the SRCC can continue to serve the public and improve the lives of its corpsmembers.

The young men and women that make up the Sacramento Regional Conservation Corps are just as varied as their supporters. They come from all neighborhoods of Sacramento, from all ethnicities and backgrounds, but they are united in their purpose, which is to improve their own lives and their community. They take on projects from clearing creeks and planting trees to teaching children about recycling and performing weatherization improvements on the homes of the less fortunate. Since their founding in 1984, over 4,500 young adults have taken part in this wonderful organization.

In doing so, corpsmembers often earn their high school diploma or GED. Upon graduating from the Sacramento Regional Conservation Corps many have enrolled in college courses, while others have obtained well paying jobs. While in the program, corpsmembers learn valuable lessons in teamwork, community stewardship, and about how to become leaders in their own right.

Madam Speaker, as the Sacramento Regional Conservation Corps celebrates their 25th Anniversary at the annual "Breakfast on the River," I am honored to congratulate SRCC Executive Director Dwight Washabaugh, Board President Philip Lantsberger, and the thousands of SRCC

alumni on this momentous achievement. I ask all my colleagues to join me in honoring this fine organization for all the work they have done for the people of Sacramento, and to wish them continued success in the future.

INTRODUCTION OF H.R. 2680, THE
"TERRITORIAL HEALTH PARITY
ACT OF 2009"

HON. MADELEINE Z. BORDALLO

OF GUAM

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 3, 2009

Ms. BORDALLO. Madam Speaker, today I have introduced a bill, H.R. 2680, to amend the Social Security Act to provide for parity in the Medicaid program for Puerto Rico, the U.S. Virgin Islands, Guam, the Commonwealth of the Northern Mariana Islands (CNMI), and American Samoa. This bill, entitled the "Territorial Health Parity Act of 2009," would amend the Social Security Act to eliminate the federal funding caps now in place and to strike the statutorily set Federal Medicaid Assistance Percentage (FMAP) of 50% that currently applies to all the territories. This bill would ensure that each of the territories, like each of the 50 states, receives an FMAP that accurately reflects its economic conditions and demographics. In addition, because certain data
